

MINJEONG KIM

Front-End Web Developer | Web & Digital Designer

Mt. Laurel, NJ • Email • Phone • Portfolio • LinkedIn

PROFESSIONAL SUMMARY

Creative Web & Digital Design student pursuing a Bachelor of Science at UMGC with hands-on experience developing responsive websites, JavaScript applications, WordPress websites, and branding projects. Seeking an entry-level Front-End Web Developer or Web Designer position.

FEATURED PROJECTS

Professional ePortfolio

- Designed a responsive portfolio highlighting web development, branding, illustration, and JavaScript while applying accessibility and UI/UX principles.

WordPress Florist Website

- Built a florist website using WordPress with improved navigation, organization, and SEO.

JavaScript Applications

- Developed interactive applications featuring DOM manipulation, event handling, timers, and form validation.

Adobe Creative Portfolio

- Created logos, branding, posters, book covers, and illustrations using Photoshop and Illustrator.

VOLUNTEER EXPERIENCE

Military Spouse Community Volunteer

Coordinated events, created promotional materials, and demonstrated leadership, teamwork, communication, organization, and customer service.
